Deputy Head: Miss Clare Alderson

22nd June 2018

Dear Parents/Carers,

Following our tasting session, year 5 are making their bread as part of the technology curriculum. As part of this learning the children have discussed what ingredients they would like to have in their bread. You may wish to discuss this with them too.

We will provide the main ingredients to make the basic dough but would like your child to bring the individual, unique ingredients (maximum of 3) they have chosen specifically for their own bread. Any ingredients provided in tubs and containers should be labelled clearly so we can return them to you. Also, it would be helpful if ingredients are prepared at home e.g. cheese grated, onion cooked.

The ingredients will need to be brought in on the following days:

- 5LH – Thursday 28th June
- 5M – Friday 29th June

Please can we remind you this is a nut free school so any ingredients containing nuts (including traces) are not permitted. As part of our commitment to healthy eating, please avoid unhealthy choices e.g. chocolate.

Thank you for your continued support.

Kind regards,

Miss Longmore
Year 5 teaching team

Mr Milligan
