November 2016

Dear Parents/Carers,

Further to the recent PTA meeting and with the ever increasing popularity and use of social media, we are pleased to announce that we have now set up Parent Groups on Facebook for each year group.

On these pages you will be able to find information including upcoming important dates such as any inset days etc and also copies of newsletters and letters that have been sent home.

Please note these Facebook pages are not intended to take the place of any forms of communication we currently use, as we understand not everyone has or would like access to Facebook. Therefore, newsletters, letters and the website will continue to be used.

In addition, the Parent Group pages can be used for discussing fundraising, social events and meetings connected to the school. These will be moderated by the school and the pages are to be used in a positive manner please.

We invite all parents/carers to be involved in the pages, however, due to the protection of all pupils at the school, these will be set as "closed groups" so you will need to request access to them. This will only be granted once we have received your signed acceptance of the Facebook Policy which is attached to this letter. Only one permission slip is required per family although every person who would like access should sign a slip.

We have attached the hyperlinks here to assist you in finding the pages:-
