JEP Poetry Competition

Be the change!

As part of our JEP Summer Festival celebrations, we are holding a poetry competition for all JEP pupils from Y1 through to Y11. The theme for the poems is 'Be the Change'. This could include any kind of changes you have faced in your lives - new schools, new classes, new teachers, new friends or could be about wider environmental or social issues.

If you would like to enter...

Write a poem to do with the theme 'Be the Change' (this could be in any style - shape poems, rhyming poems, narrative poems etc). Return your entry to your school by **Friday 8th June**.

After the closing date

Teachers from each school will select poems from each key stage to be displayed around the school. Some poems from KS1, KS2, KS3 and KS4 will also be selected to be read out at the JEP Summer Festival Concert on **Thursday 21st June**.

Top Tips

Be as creative as possible!
Show off your own writing style.
Write about issues that you are passionate about.

Good Luck!
