It would be wonderful for as many spectators to come and cheer the teams on. Upon arrival at Southampton Sports Centre, spectators will need to follow the path to the sports track and sign in at the first entrance (by the stands). Spectators are there to spectate and staff will supervise the children (including toilet visits). At lunch, parents can sit with their children but please do not take them off the track/site. Parking is limited on the site so please use on road parking in the surrounding roads. Please arrive early to avoid disappointment.

If you wish to walk with your child and their class from school to/from Southampton Sports Centre please complete the slip overleaf.

Please note photographs will be taken on the day and may be displayed on our websites. Please therefore confirm your permission for your child to be photographed during the day, on the attached slip.

We hope to see you there.
