### **Use of PE Funding**

The Government is spending over £450 million on physical education (PE) over the 3 academic years 2013-14, 2014-15 and 2015-16. This funding must be used to fund improvements to the provision of PE and sport for the benefit of primary aged pupils so that they develop healthy lifestyles. Each school will receive £8,000 plus an amount of £5 per pupil each academic year.

Our funding for the period ending August 2014 is £9,055.

Along with other schools in the Jeffery's Education Trust and Edwin Jones Trust, we have employed a sport's specialist, Tracie Capper, who is working with the schools and their PE Co-ordinators to develop PE both within each individual school and across the schools.
