Dear Parents/Carers,

As you are aware we are currently learning about Stone Age to Iron Age and the children have been doing their own research at home and in school. To finish off the topic, we are having a Stone Age to Iron Age morning and having a visit from an expert, Paul Nolan. Paul visits many schools providing workshops on amongst other things; Stonehenge, on how Bronze is made and an interactive Stone Age to Iron Age game.

Paul will be visiting school on Monday 21st May for the morning and we are asking for a voluntary contribution of £3.50 to cover the cost of this visit. This is going to be an invaluable experience to support the children's learning and will provide them with the opportunity to work with a specialist in the field of British History.

Thank you for your continued support.

Yours sincerely,

Year 3 teaching team
