6th December 2017

Dear Parents/Carers,

This half term we are putting our knowledge of circuits to practical use by designing and making a night light.

We will be making a cardboard cube to contain our light and school will be supplying materials, eg. bulbs, wire, bulb holders, batteries and coloured acetate. To help towards the cost we are asking for voluntary contribution of 50p.

We would be grateful if you could send this money in as soon as possible.

Thank you.
