## Children in Need 2020

Dear Parents and Carers,

This year we are supporting BBC Children in Need, the theme is 'Five to Thrive'. As we are all aware the mental well-being of us all at this time is crucial. The children will be taking part in the Five to Thrive activities alongside Joe Wicks, the Children in Need Ambassador. They will be taking part with the other children in their bubble on the playground, weather permitting. This will be part of the school day so no special clothing will be needed.

Throughout the day the children will also have opportunities to have time to reflect and talk together about their own mental health and how to keep it healthy.

Please see the link below where you can donate directly to Children in Need, if you are able to support this worthwhile cause.
