10th September 2020

Dear Parents/Carers

We have listened to your concerns regarding the need for parents of Infant children to loop around the school to collect siblings from the Juniors.

As a result of this, we have changed the procedure for the children in Badgers and Squirrels. From pick up on Thursday 10th September these children will enter and leave the school with their bubble class onto the main Junior playground. This will mean Badgers children will enter and leave through the Owls door and Squirrel children will enter and leave through the Rabbits door. This will prevent the need for parents to loop around the school to re-enter the site to collect siblings. It may, however, cause a slight delay as more children need to leave through these doors so we ask that you be patient and please bear with us.

We are aware that this will result in additional parents on the playground at drop off and pick up time. Therefore, it is essential that:

- All adults wear a mask or face covering
- Use the one-way system consistently
- Leave the school site as quickly as possible.

Can we please ask that all parents follow this new procedure to prevent us from having to introduce a staggered start and finish.

Yours sincerely,

Marcella Dobson

Headteacher
