9th September 2020

Dear Parents/Carers,

Having received a number of complaints that parents are not socially distancing from one another whilst on the playground and leaving the school site we have been forced to move to the next stage of our plans to try to keep the Hollybrook Schools community safe. We feel that it is now imperative that adults wear a face mask or covering whilst on the school site. This means that, from the point of entering the school gates until exiting onto Lordswood Road all adults must wear a mask or face covering unless they are exempt. This is to try and keep yourselves and your families as safe as possible. Having spoken to Little Berries Nursery their parents will also be following the school one-way system during school drop off and pick up times and will also be wearing face masks whilst on the Hollybrook site.

Thank you for continuing to follow the one-way system and it is vital this continues in order to minimise the risk to everyone. If parents are unable to follow the new guidance we will be forced to stagger start and end times which negatively impact on your child's learning as well as being detrimental to family life.

The new guidance regarding the wearing of facemasks or coverings on the school site (unless exempt) will be enforced from Thursday 10th September at morning drop off.

Yours sincerely,

Marcella Dobson

Headteacher
