Dear Parent/Carer

## **Re. Instrumental lessons from September 2020 – for children already learning an instrument**

We are very proud of our Music at Hollybrook Infant and Junior Schools – our class music lessons, our instrumental players, our choirs and orchestra. During lockdown it has been great that so many children have continued their musical learning with online lessons with the instrumental teachers from Southampton Music Hub.

We are hoping that lessons can restart in the Autumn term, but like everything, we are waiting for further government guidance. In order to help us to plan for the future, we would like you to let us know whether your child wishes to continue instrumental lessons in September. We are not asking for a definite commitment, just a yes/no and we will ask you again to confirm your choice in September.

The cost is likely to remain broadly the same as this year.

We will not be starting beginners off straightaway, but I will write to parents about starting a new instrument once we are back in September.

Please could you contact the school office by phone or by email [info@hollybrookjunior.co.uk](mailto:info@hollybrookjunior.co.uk) to let us know whether or not your child wishes to have lessons next academic year. Please could I ask that all responses are received by Wednesday 8<sup>th</sup> July.

**If emailing please write your child's full name and the instrument that he/she plays.**

I look forward to hearing from you soon.

Yours sincerely

*A Thompsett*
