Dear Parents/Carers,

Re: Access at home for remote learning

As part of our planning to ensure we are able to provide consistent learning for all pupils in the event of a full or partial closure of our schools due to Covid-19, we need to ascertain what facilities families have at home with regards to computer and internet access.

We have put together a short survey to help us gather this information. Please complete the survey using the following link:

The deadline for completing is Friday 13th November.

Yours sincerely
