

# The Hollybrook Headlines

16th December 2020

What a challenging Autumn term we have had at the Hollybrook Schools! Thank you all so much for your fantastic support throughout this time, which I must say, has been the hardest test in my 22 years of teaching. We couldn't have made it through without your support, so I genuinely mean, thank you! There has been so much pressure this term and we have all tried our absolute hardest to get it right.

We don't yet know what January will bring but we know that the challenges are not yet all behind us. However, we know that you will continue to support us next year and this will help us to try and keep everyone as safe as possible. May I also take this opportunity to remind you that in January, if your child is feeling unwell with a new continuous cough, temperature or a loss/change in taste or smell, to keep them at home and arrange for a test.

I wish you all a very peaceful but enjoyable Christmas break!

Marcella Dobson

Headteacher

## Christmas Videos

Mrs Thompsett and the children at the Junior School have been preparing Christmas videos to share with you all. The links can be found on our website <http://www.hollybrookjunior.co.uk/news>

They are unlisted YouTube clips that are only accessible via the links, they can't be searched for or viewed publicly. Please do not share the links or videos on social media.

We hope that you enjoy watching them!
