

The Hollybrook Headlines

2nd October 2020

Dear Parents and Carers,

As you may remember, during lockdown we asked the children to design a new joint school logo as we are trying to work more closely across the two schools. I am delighted to announce that Noah W from 6N won the competition. This means that his design has been made into our new logo, which will be on our new website when it comes out, on the school signs when they are changed soon, and on the uniform in the future. The staff are really excited about the new logo and Noah will be awarded a small prize in assembly on Friday. If anyone has any contacts with a local paper, please could they pop into school to let us know, as we would love this to be a press feature.

We are also celebrating becoming a Music Mark School. We have been awarded this due to our commitment to music and high quality music provision within lessons. We are lucky to have fantastic music teachers across the two schools as well as so many children with such an enthusiasm for music. I would like to thank Mrs Clark and Mrs Thompsett for all of their hard work with the music provision across the schools.

Infant School Reminders

Please could all Year R children have a PE kit in school from next Monday (white t-shirt and black shorts).

Also all children must bring a coat to school, as we are doing lots of outdoor learning.

Please also ensure that your child only brings water in their school water bottle, which is kept in class - squash or juice cannot be consumed in the classroom.

Thank you.

Infant School 70's Dress-up Day

As part of our 50th birthday celebrations at Hollybrook Infant School, we will be having a 70's themed dress-up day on **Tuesday 13th October.**

We would love the children, and parents if you wish to join us for drop off and pick up, to join the staff in dressing up in 70's themed outfits! This may be a fashion must-have of this time, or a famous person from this decade e.g. sports person, singer.

We can't wait to see how fantastic you will all look!

PTA Cash 4 Clothes

Just to let you know that £112.57 was raised at the PTA Cash 4 Clothes collection last Friday.

Thank you for your support!

One Way System

Thank you to all parents who have been following the one way system and wearing a face mask when on the school site.

Please could we remind everyone that face masks or coverings must be worn at all times when on the school site (unless exempt). Please ensure you observe social distancing guidelines when on the school site, and follow the one way system.

Thank you for your support.
